## **RULES FOR ALL PARTICIPATING J. C. P. CAMPERS - 2021**

The camping experience is a very special one. A lot of time and thought have gone into preparing the camping event you are to attend. The following rules have been put in place to ensure a more meaningful Christian camping atmosphere for all. The consequences for misconduct may be as severe as being asked to leave camp early.

In order for camp to be a fun and an enriching experience, all campers must be prepared to co-operate with and participate in the camping program.

Respectful language and behavior is expected. Swearing will not be permitted.

Event Directors and Counsellors will do their best to see that campers get sufficient sleep. There will be an evening curfew that we expect campers to follow.

Event Directors are responsible for campers and staff safety while at JCP. The permission of the Event Director is required before leaving the JCP property.

JCP property is a smoke free and an alcohol-free environment. This will be strictly enforced.

In order to protect the privacy of campers and staff, porches (decks) and steps and cabin interiors of opposite gender cabins are out of bounds unless clearly authorized to be there for a program purpose. i.e. boys are not to be on the porches (decks), steps, or interiors of a Girls Cabin and girls are not to be on the porches (decks), steps, or interiors of a Boys Cabin.

JCP camping events provide nutritious, tasty meals and snacks. Food in the cabin can attract both ants and rodents; therefore, food in the cabins is not permitted.

We take pride in JCP and wish to promote this with our campers and staff. Damaging camp property is not respectful and does not show pride in the facility. Please show your pride and respect by keeping the JCP property free of graffiti and other damage. Please leave ALL markers at home.

Cell phones, smart phones, iPods, electronic games and devices prevent campers from fully participating in the total camping program. These items are to be left at home.
