REGISTRATION

Our camp registration form will be available on this website on February 15, 2012.

We appreciate your patience. All of our programs run with the help of dedicated volunteers—that includes everyone from our event directors and worship leaders to our counsellors. Our directors are not able to process application forms early. So! Check back on February 15, 2012.

We can tell you our camp dates for the Summer of 2012 so that you can begin making plans.

The dates are as follows:
